

Gilbarco Veeder-Root

Gilbarco Veeder-Root is the worldwide technology leader for retail and commercial fueling operations. We offer the broadest range of integrated solutions from the forecourt to the convenience store and head office. For 150 years, Gilbarco has earned the trust of its customers by providing long-term partnership, uncompromising support and proven reliability.

Our range of solutions are designed to maximise uptime and profitability. These include:

- Pumps & Dispensers – An unparalleled range of robust, reliable, accurate and secure technology.
- Wetstock Management – Smart solutions to enable the total control of wetstock monitoring, consolidation and reconciliation.
- e-Mobility – Rapid and fast chargers for electric vehicles and its installation.
- Retail Solutions – A comprehensive selection of POS, BOS and HOS for retail forecourts.
- Business Support – Onsite and remote service and support designed to protect assets and drive operational efficiency.

The Gilbarco Veeder-Root group of companies has manufacturing, sales, distribution and service locations in North and South America, Europe, Asia and the Pacific Rim. It is headquartered in Greensboro, NC, with manufacturing and research and development centres in Germany, Italy, UK, Denmark, U.S., India, Argentina, Brazil, China, Australia and Mexico. The European, Middle East and Africa headquarters is based in Basildon, United Kingdom.

Our Commitment: **Customer First, Every Action, Every Day**
