

ARTELIA (COTEBA)

Buyer's guide

Posted / Last update: 19-05-2014

ARTELIA has assisted many of the world's leading petroleum retailers to develop, renovate and re-image their international retail networks. 50 years of experience and hundreds of successfully completed projects have reinforced our position as the European leader in the management of international multi-site projects for the petroleum, banking and retail sectors.

ARTELIA's core business has always been Project Management. Our approach is based on a fully-integrated system of specialised tools and methods which are certified ISO 9001:2000. Our company-wide commitment to Health, Safety and Environmental leadership has earned the respect of the world's most demanding clients in the petrochemical industry.

ARTELIA's headquarters are located in Paris, with permanent affiliates throughout Europe, the Middle East, Northern Africa, India, Vietnam and the Pacific region. In addition to Project Management, we provide complete multi-disciplinary programming, design and engineering services for virtually all types of commercial, industrial and residential investments.
