

Connecting Green Hydrogen Europe 2024

Connecting Green Hydrogen Europe 2024 (CGHE2024) is the largest and most influential Green Hydrogen event in Europe, bringing together the entire hydrogen value chain to accelerate the hydrogen economy.

Hosted in IFEMA Madrid on 25th-27th June 2024, this extraordinary platform unites a formidable assembly of over 5,000 attendees, comprising industry leaders, energy ministers, CEOs, and an impressive cohort of 100+ exhibitors. Together, we will embark on an immersive exploration of groundbreaking solutions, cutting-edge technologies, and transformative advancements propelling the hydrogen landscape forward.

Experience the resplendent C-Level Strategic Summit, an expansive exhibition showcasing the pinnacle of innovation, and the thought-provoking H2Innovate Next Summit. Engage in an uninterrupted symphony of networking opportunities, forging connections with visionaries, innovators, and change-makers who are actively shaping the future of green hydrogen.

CGHE2024 Event Highlights:

- Immerse in a showcase of cutting-edge products, services, and solutions through a diverse array of 100+ exhibitors in 10000 sqm exhibition space.
- 75+ captivating sessions with diverse perspectives from 150+ energy leaders and experts.
- Pre-day masterclass, offering foundational insights that shape the hydrogen landscape.
- Paralleling forums, delving into key hydrogen technical topics and major hydrogen projects in Southern Europe.
- Featured events "Women in Hydrogen Program", "Students' Day" and "Startup Challenge Hub",

where passionate women, the next generation and HyTech entrepreneurs meet opportunities.

Venue

IFEMA Madrid

Av. del Partenón, 5

June 25, 2024 - June 27, 2024
