

## ReFuel Forum UK 2024

**Join us for the most effective event in the fuel retailing calendar.**

With its agenda of pre-arranged one-on-ones between fuel retailers and suppliers, informal networking, lively debate on alternative fuels, the mobility revolution and digitalisation of services, ReFuel UK will give you a 360 degree view of what's needed to take your business to the next level.

### What to expect

Access to some of the best fuel retailers and suppliers in the region, showcasing the industry's most innovative products and services.

Hear from thought leaders and best-in-class practitioners.

Tailor your own program of one-to-one meetings, to ensure that the people sitting opposite you tick all the boxes on your list of business aspirations.

Our content will encourage constructive dialogue – with presentations that address the most current and pressing issues, their complexities and solutions.

Cut to the chase – our invitation-only policy means you'll only meet with the decision makers.

Network with your peers in a luxury location, through first-class social events, designed to develop and strengthen relationships.
