## **NACS Insight Convenience Summit - Europe**

### **2016 NACS Insight Convenience Summit - Europe takes place in Stockholm and London.**

In June, convenience and fuel retailing industry professionals from around the world will gather in Stockholm, London, and Dublin for new knowledge, new commercial connections and networking, and the opportunity to discover and discuss new ideas from retail store tours. And, the event will feature the popular International Convenience Retail Awards. Thanks to the event's flexible format and various registration options, you can choose to attend the entire event or attend select parts that make the best sense for your business.

The event will launch in the Swedish capital on 5-7 June 2016 before transferring to London at the Renaissance St Pancras Hotel on 8-10 June 2016 for conference days and the NACS Insight International Convenience Awards evening event during which the prestigious International Retailer of the Year award will be announced.

The Scandinavian market focus will be highly anticipated and provide an opportunity to visit Reitan Convenience and Statoil Fuel & Retail, two of Europe's leading convenience retailers.

On Friday, following the London conference, delegates have the option of an Irish retail study tour day in Dublin to learn from the best and 'touch/feel/taste' new formats and offers.
