## UNITI expo 2018

**UNITI expo is the leading European trade fair for the retail petroleum and car wash industries.** The biennial event, with its programme of seminars and compact three-day format, is specially tailored to the needs of its target audience. UNITI expo provides a unique opportunity for exhibitors and visitors to build and strengthen business relationships with customers and professionals alike.

All products and services, which represent the demand of the whole industry, will be exhibited at UNITI expo:

- Forecourt equipment & construction
- Oil companies & fuel retailers
- Carwash & carcare
- Payment & automation
- Transport & logistics
- Lubricants & additives
- Shop & convenience
- Services & media

In addition to the exhibition, UNITI expo delivers a diverse series of seminars free of charge as well as exciting product presentations covering the following topics: forecourt equipment & construction, carwash & carcare, transport & logistics, shop & convenience and payment & automation.
