

## NACS Convenience Summit - Asia

**NACS is introducing a new global event to the Asian market next year: Convenience Summit - Asia. Taking place in Sapporo and Tokyo, Japan, attendees will benefit from thought leadership, unique store tours and powerful networking opportunities with global industry leaders.**

The program will begin in Sapporo, the largest city on the Japanese island of Hokkaido. There, attendees will experience guided tours that give an inside look at how a leading Japanese convenience retailer successfully operates a vertically integrated organization from the farm to the stores.

Following Sapporo, the program will shift to explore the bustling market of Tokyo with a robust agenda featuring inspiring speakers, more store tours and thought-provoking discussions and practical case studies on critical topics such as foodservice, payment technology, and much more.

Registration for the NACS Convenience Summit - Asia is open to all industry retailers, suppliers and association executives.
