

## Oleofuels 2017

### Current & Future Trends for Liquid Biofuels Produced from Oils & Fats

Oleofuels 2017 will take place on 28th & 29th June in Kraków, Poland and will bring together senior representatives from the biodiesel, renewable diesel and HVO/HEFA industry to discuss all the latest market advancements, developments & business opportunities.

The event will cover current key challenges and issues faced by the industry and provide in-depth discussions and analysis of today`s European & global policies and regulations, updates on feedstock availability & sourcing strategies, followed by cutting-edge technology & chemistry innovations, providing an informative and balanced approach for participants from across the entire supply chain.

To request a copy of the latest agenda email [cwilliams@acieu.net](mailto:cwilliams@acieu.net)

### Exclusive Site Visit to the LOTOS Biopaliwa Biodiesel Plant:

A day prior the main conference, 27<sup>th</sup> June 2017, a limited number of conference attendees will have the unique opportunity to join an **exclusive site visit to the LOTOS Biopaliwa Biodiesel Plant**.

There is **no extra charge** to attend the site visit, but **spaces are limited** and allocated on a first—served basis. Please register your attendance when booking for the conference.

**PetrolPlaza readers are entitled to a special 15% discount.** To claim the discounted rate register your participation before 29<sup>th</sup> April and quote EAF9.
