8th Iraq Oil & Gas Show

#1 International Oil & Gas Show in Iraq! Huge potential - unique event at the core!

Iraq is indisputably one of the most attractive regions in the world having the immense oil & gas reserves and production potential.

According to the recent reports, OPEC holds 81.9% of World petroleum reserves. Among OPEC members, Iraq is holding the top 4th crude oil reserves, after Venezuela, Saudi Arabia and Iran (by the end of 2015). In terms of crude oil production, Iraq holds the 2nd place after Saudi Arabia.

8th Iraq Oil & Gas – Basra Show presents a wide variety of opportunities for international investors as more than 1300 companies exhibited, 60 companies sponsored the show, furthermore 120 papers presented at the conference section and more than 80.000 professionals visited the show in 7 consecutive years since 2010.

Being the largest international oil & gas event in Iraq, it is highly recommended to join the event. Kindly contact info@basraoilgas.com or sales@basraoilgas.com for further details.
