

Video from retailvision.tv on Statoil Fuel Retail's new highway format store in Norway

Retail Vision exclusive: Insight gives readers a unique look inside Statoil Fuel & Retail's new highway format store in Norway.

The video provides a perfect taster to Insight NACS' Future of Convenience 2012 event, which will include two days of store tours in Norway - 24-25 September 2012 - and a visit to the new Statoil Fuel & Retail store.

In addition, Statoil Fuel & Retail CEO, Jacob Schram, will present at the FOC Expo and Conference days at the British Library, 26-27 September 2012
