

AutoAir II - State-of-the-art tyre inflator by HORN TECALEMIT

go with the flow. Customers are demanding more than ever before. This is why a state-of-the-art inflation system offers superior customer service. The tyre inflators from HORN TECALEMIT are easy to operate and have an electronically controlled, automatic tyre pressure control. Tyre pressure control cannot be simpler and more precise.

With the right tyre pressure you contribute to the road safety and environmental protection. You have a double benefit with the AutoAir II tyre inflator because optimally filled tyres not only reduce the risk of road accidents but also the fuel consumption.

Your benefits:

- Quick
- Safe
- User friendly

Tyre pressure regulator AutoAir II

Electronically controlled automatic tyre pressure regulator. Stainless steel housing, illuminated display. Calibratable, PTB-type approval No. 18.08/00.03 / 18.08/05.03

Automatic termination of the test procedure upon reaching the set value.

Your benefits:

- Simple operation
- Preselection of required tyre pressure via 2 keys (+/-) and then confirmation (ok)
- Filling process starts automatically after connecting hose to the tyre
- Incorporated micro-computer determines the nominal value
- automatic ending of filling process after reaching the nominal value
- Acoustic signal is given when the nominal value is reached
- Indication of leakages at the valve plug via error message

Technical specifications

Display: 2 LC-displays with 30 mm high digits

Models: Car or truck tyre pressure regulator

Pedestal unit / wall unit

Straight or spiral hose

8.0 m hose with valve plug car

10.0 m spiral hose with valve plug car

15.0 m hose with valve plug truck

Voltage: 230 V – 50 Hz, 12 W

120 V – 60 Hz, 12 W

Compressed air supply:: min. 7 bar (102 psi) car

min. 12 bar (174 psi) truck

max. 16 bar (232 psi)

Max. filling pressure: 5,5 bar (30 psi) car

9,5 bar (138 psi) truck

Deviation: < 0.08 bar (1.16 psi)

Dimensions (w x h x d): approx. 345 x 1306 x 155 mm (Pedestal unit)

approx. 301 x 327 x 173 mm (Wall unit)

Weight:: approx. 17 kg (Pedestal unit)

approx. 7,2 kg (Wall unit)
