

Russia: Int'l expo Autocomplex thrives amid recession

More than 60 companies from 8 countries are participating in the upcoming 22nd Moscow International Exhibition Autocomplex-2015, which will be held on October 28-30 in pavilion 7 and on the open-air fairgrounds of ZAO Expocentre in Moscow.

Autocomplex, organized by ACS-EXPO with the support of the Moscow Government and ZAO Expocentre, is the largest exhibition in Russia, Commonwealth of Independent States (CIS), and Eastern Europe that showcases products and solutions for the fuel and automobile industry.

As early as May, leading companies in the sector of refilling stations, garage, road service, car maintenance and repair, and technology developers have registered for the event.

Among them are GilbarcoVeeder-Root, Scheidt&Bachmann GmbH, Guangzhou BOYI Exhibition Co., Ltd., Tatsuno RUS JV, Beijing Sanki Petroleum Technology Co, Ltd., OPW, Franklin Fueling Systems, Petrol Station Equipment Ltd., Melston Engineering Ltd., Neva-Service Ltd., Kommash-GRAZ Trading Company, LIGIR, EXPERTEK IBS, Prompribor OJSC, Topaz-service Ltd., PK-Electronics Ltd., STAS, PK, Ltd., Shelf NPK Ltd.

The exposition also welcomes more sectors this year such as motorway, parking, and ancillary filling station services.

"I am glad to see that, despite the recession, the transportation and car-servicing industries keep growing. Our Expo is a clear proof of that," said ACS-Expo Director General M. A. Tsuladze.

Expocentre General Director Sergey Bednov added, "I am happy to see that, despite today's economic difficulties the participants of Autocomplex Expo are able to find new opportunities and potential for growth."

The organizers further believe that seeking new opportunities is a key to thrive in the current economic situation.

A presentation on the leading trade fair for the retail fuel sector in Europe UNITI expo 2016 will be part of the first day of the event. It will be held at Congress Centre, 3d floor, SkyLight Hall, 11:00 -12:30 a.m.

On October 29, the Round Table "Multifunctional Zones of Road Service – Complexity and Quality of

Provided Services”, organized by State Company Russian Highways (Avtodor), the Russian Fuel Union, ACS-EXPO, Ltd. and Tatsuno RUS JV., will be held in the same venue.
