

USA: Minit Mart c-stores to add 40 Godfather's Pizza

Convenience store chain Minit Mart to add 40 new stores this year with Godfather's Pizza Express food offerings.

The convenience stores will be located around Kansas City, Missouri; Lexington, Kentucky; and across the state of Illinois. The company will more than double their convenience store locations serving Godfather's Pizza Express from 38 to 78.

"The team at TA Operating sure know how to make a quick impact on the communities they conduct business," said Godfather's Vice President of Development Dave Gartlan. "Their drive and knowledge of the food industry, combined with their focus on service, has contributed to the overall success of our Express model."

The partnership between TA Operations and Godfather's Pizza began in 2013 in Kentucky.

"Families and professionals alike have been requesting greater access to Godfather's Pizza and we're more than happy to give it to them," said Craig Stanley, Category Manager of Foodservice for Minit Mart.
