

## USA: Kroger acquires Murray's Cheese to expand product offering

**The Kroger Co. has acquired Murray's Cheese to form a merger of both companies.**

The Kroger Co. has announced the purchase of Murray's Cheese, New York's most iconic cheese shop, to bring its products to Kroger's network.

"Our customers are excited to buy the unique offerings of Murray's Cheese right in our stores, and we're excited to ensure this iconic cheese shop will remain a part of the Kroger family for many years to come," said Rodney McMullen, Kroger's chairman and CEO.

Since the two companies formed a unique partnership in 2008, Murray's has offered its food products and cheese expertise to the Kroger family of stores.
