Cleaning Systems Inc has announced the establishment of a key account partnership chemical supply agreement between CSI-Lustra Car Care Products and Terrible Herbst Oil Inc., reports Car Wash Mag.

Terrible's Car Wash operates over 40 wash facilities throughout the Southwest, with the majority being in the greater Las Vegas market. The company will reportedly continue to expand its car wash sites.

Founded in 1959, the company now operates over 100 gas stations and convenience stores in Nevada, California, and Arizona.
