

Mister Car Wash buys four more Michigan carwashes

Mister Car Wash continues to expand in Grand Rapids, Michigan with the acquisition of four Auto Spa Car Wash locations, reports carwash.com.

Mister Car Wash continues to build a large network of professional car wash sites around the U.S. with its latest acquisition.

Auto Spa is the third car wash business in Grand Rapids purchased by the Tucson, Arizona-based car wash chain.

Mister Car Wash acquired Waterworks Car Wash in April, two months after it had purchased Southland Auto Wash.

"Grand Rapids is quickly becoming a great market for us as a company," said Joe Matheny, vice president of operations for Mister Car Wash.

With the latest acquisition, the car wash chain now operates 227 carwashes in 21 states.
