

## Oman Oil to open petrol station in Saudi Arabia

**Oman Oil Marketing Co. is set to open its first service station in the Kingdom of Saudi Arabia (KSA) as early as 2018.**

Oman Oil CEO David Kalife confirmed, in an interview with the Times of Oman, that the company has already secured a license from KSA since 2015 and is currently studying the market.

Kalife also revealed that Oman Oil will roll out more portable petrol stations to address the fuel needs of people living in remote places in Oman.
