

## Husky Corporation

For 65 years, Husky Corporation has served as a trustworthy guide, developing breakthrough, American-made fuel nozzles, safe-t-breaks, and accessories, plus relentlessly providing the most dependable customer service in the industry.

Headquartered in Pacific, Missouri (in the metro St. Louis area), Husky is committed to provide petroleum dispensing products that meet or exceed our customer's expectations and reinforce the fact that we are a reliable partner that is with our valued clients every step of the way. Husky continues to grow its reputation as a special-break innovator with an acquisition strategy designed to add more products and service worthy of the Husky name.

In addition to our legendary line of nozzles for vapor recovery, conventional fueling, truck and high volume, farm and commercial and convenience stores, we now feature curb and farm hoses, oil lube products, plus aviation hoses.
