

METERS, INC.

We remanufacture a wide range of OEM service station pump equipment. Our rebuilding process is very extensive. We completely disassemble each and every piece of equipment to insure all worn and inadequate parts are replaced.

Meters, Inc., can also supply our customers with meters or computers in Liters or Imperial Gallons.

Please contact us with any questions or comments. We look forward to doing business with you and your company.

We are also a distributor for the new Veeder-Root mechanical computers and OPW pulsers.
