

## Compac Industries Ltd

Compac Industries is a premium supplier of CNG dispensing technology.

Compac design and manufacture CNG dispensers, the KG80 coriolis mass flow meter, CNG priority panels and remote dispenser monitoring solutions.

Compac continues to invest in research and development, and, due to strict quality controls, consistently delivers premium quality products.

Compac has accreditation to international standards and approvals, and their products have been used worldwide for more than 25 years.
