

MCD AB

Measure Connect Display AB, commonly known as mcd AB, started the year 1990. Our name describes the business well. We take level measuring and its operation to a new, higher level.

mcd AB is now without question the leading company in the Nordics when it comes to simple and advanced level measuring systems for fuel tanks and cisterns containing all types of petroleum products. We provide you with our innovative solution SiteInfo, the most efficient cloud-based tank monitoring system

mcd AB, the beginning of an efficient logistics.
