Why advertise on PetrolPlaza?

With a growing community, PetrolPlaza continues to be the No. 1 online information source for decision makers in the petrol retailing, fuel logistics and car wash markets. After going online in 1998, PetrolPlaza has built an excellent reputation amongst industry professionals across the world. Our readers include operators of petrol stations and private refueling facilities, fuel storage & transportation companies, car wash operators as well as equipment suppliers, importers & dealers, service providers, PMCs, oil companies, consultants & engineers, and others involved in the business.

From January 2019, all of PetrolPlaza's industry news, editorial reports and interviews are available in English and Spanish. From March 2019, a Spanish edition of PetrolPlaza's newsletters is also available.

PetrolPlaza is a 24-hour platform where the word “global” has real meaning. Either in Beijing, Abu Dhabi, Madrid or San Francisco, someone is always online on PetrolPlaza – our readers come from over 200 countries: 40% from Europe, 29% from North and South America, 22% from Asia & Middle East, 6% from Africa and 3% from Australia & Oceania. Together, they constitute over 27,000 monthly site visits. Over 17,000 subscribers receive our free of charge weekly newsletters and special issues covering specific topics.

5 good reasons to advertise on PetrolPlaza

1. Access to highly qualified decision-makers
2. Strong international brand awareness
3. Effective and cost-efficient targeting of the sector
4. Exclusive editorial services for our advertisers
5. A wide range of options to meet specific budgets

All you need to know

Booking period and payment terms

- Most PetrolPlaza packages are booked for one year (52 weeks). Customized booking periods are possible.
- Banners on PetrolPlaza can be booked per week, starting on Monday (CET).
- Advertorials and listings can start on any day.
- All fees are payable in advance by bank transfer or credit card through secure online form.

Banner positions

- Premium positions achieve the highest exposure. Premium pages are: portal page, news page and two weekly newsletters. Premium banners are limited and should be booked in advance.
- Random banners move between all available menu sections. A high average display rate is secured for all random advertising, as positions will not be overbooked.
- Banners can be rescheduled on request (subject to availability).

Banner formats

- Newsletter banners must be static. All other banners can be static or animated.
- Acceptable banner formats: GIF, JPG, PNG, HTML5. Please note that Flash ads are not accepted, as they are blocked by modern browsers.
- Acceptable video formats: AVI, MP4 or YouTube link.
- Complete artwork for banners, logos and videos must be supplied in due time. See specifications on page 10–13.

Links and streaming

- PetrolPlaza banners can link to any external website or PetrolPlaza page. Special tracking links can be used on request.
- The banners can also be linked to your own YouTube videos on your channel.

Upgrades for advertorials

- For all advertorials and listings a language or a video upgrade is available as an option.
- The cost of a video upgrade is 300€ and corresponds to one advertorial for package advertisers. Language upgrade costs ½ an advertorial or 150€.
- Video and language upgrades stay online as long as their original advertorial. For supplier profiles, an upgrade should be renewed every year. For articles, an upgrade is only published once and is shown even when the article is in the archive.
- The video and the text in another language for an upgrade shall be provided.

Statistics and design assistance

- Statistics of views and clicks are provided for all advertisers at the end of package period or earlier on request.
- Design assistance can be provided at 90€ per hour.
- Flat rate banner design is available on request.

LIGHT package

The LIGHT packages are designed for companies that would like to show a certain level of awareness in the market at a low price. The ads cannot be moved or exchanged during the package period, which saves us administration costs. This is why LIGHT packages are highly discounted and offer a very efficient use of limited budgets.

BRANDING package runs for a period of 52 weeks (1 year) and is perfect for smaller companies that do not want to miss the opportunity to advertise their brand and products on the leading industry portal.

PROMOTIONAL package suits companies looking to boost their advertising campaigns with online media support for a limited period of time. It runs for 26 weeks (6 months) and includes random as well as premium banners on the website and one advertorial, which can be used to upgrade the Supplier profile.

PRODUCT launch from PetrolPlaza has everything that you need for the powerful and effective launch of a new product in one single package. It includes a Product news article, premium advertising that creates awareness, as well as a couple of smaller banners to maintain interest.

Supplier profile

The PetrolPlaza Supplier profile includes all relevant suppliers of equipment and services in the fuel retailing, fuel logistics and car wash industries. Companies can be found by equipment and services category, by country or by company name in alphabetical order.

Basic supplier profile

- Company description
- Company address and phone number
- Respective categorisation

The basic supplier profile is free of charge.

Premium supplier profile

- Your entry on top of the list
- Your logo and website link
- Full contact details with email address
- Links to your social media
- Contact form for potential requests
- Links to your other contents published on PetrolPlaza
- Listing in the newsletter

In addition to the basic features.

Subscription terms

- Premium supplier profiles are booked on subscription basis
- Subscriptions are payable in advance for one year
- Subscriptions can start on any day of the year
- If 6 weeks before the end of a subscription year no termination notice is received, an invoice will be issued for the next subscription year.

Product & Company news

The PetrolPlaza News section is the ideal promotional platform for your new products, innovations and information about your company and business.

Product & Company news listings are placed next to the website’s Industry News and, therefore, attract a high degree of attention. The most recent entry is always located on top of the list. In addition, each Product & Company news story is featured in the weekly newsletter.

A Product & Company news story stays online for 8 weeks. At the end of this booking period, the story will disappear from the news page but still remain available to readers in the PetrolPlaza archive, accessible through search and links.

Product & Company news articles

- Title and text (product description, company presentation, etc.) with no word limit
- Image gallery of up to 5 images
- Your company logo and website link
- Full contact details with email address
- Contact form for potential requests
- Links to your recent articles on PetrolPlaza
- Listing in one newsletter issue

Case study

Case studies published in the PetrolPlaza Knowledge section demonstrate how products, systems and services work in practice. They can stay online on the website for up to 2 years. The most recent entry is always located at the top of the page. A short notice is also published for two weeks on the News page.

Case studies

- Title and text with no word limit
- Image gallery of up to 9 images
- Your company logo and website link
- Full contact details with email address
- Contact form for potential requests

Technology corner

Technology articles, which share the Knowledge section with Case studies, address expert readers such as engineers and technical procurement professionals and should explain how particular technologies and procedures work, and what the benefits of their implementation are.

Technology corner is a perfect opportunity to demonstrate your expertise on PetrolPlaza. We offer you this platform to share your experience and earn the respect of industry peers.

The subject of technology articles needs to be agreed with our editor beforehand; all contents require editorial approval. The publication is free of charge but promotional contents are not allowed.

Technology articles

- Title and text with no word limit
- Image or video gallery
- Name and company of the author and a short biography
- Comment field
- Listing in one newsletter issue
PetrolPlaza lists relevant industry events free of charge in its event calendar. A basic event profile includes event name, description, date, location, and comment field.

A premium event profile can be booked in order to increase brand awareness and get feedback from interested visitors. In addition to the basic features, a premium event profile includes:

- Event logo and website link
- Full contact details, including contact person
- Contact form for potential requests
- Venue address with map
- Listing in at least one newsletter issue

**Price for one premium profile – 300€.**

Our event partners get a premium listing for free in exchange for other promotional services. Please note that not all events listed are eligible for a media partnership.

PetrolPlaza runs a successful series of Special newsletters. The newsletters are distributed approximately every three months and either cover specific topics (e.g. alternative fuels) or regions (e.g. Southeast Asia). You can find the previous issues under [www.petrolplaza.com/newsletter](http://www.petrolplaza.com/newsletter).

Each Special newsletter has one exclusive banner – a top banner that can be sponsored on a first come, first served basis.

Sponsorship opportunities

Print sponsorship

Printed articles on PetrolPlaza can be sponsored on a monthly basis. This exclusive sponsorship guarantees you a huge increase in awareness through a high number of views and premium placement of your header on top of the printed page.

Audio sponsorship

For greater convenience, all PetrolPlaza contents are also available as audio streams. This innovative offer can be exclusively sponsored with a 150-character text that will be added at the start of every audio stream. For example:

“This PetrolPlaza audio version is presented to you by [Company]. [Company slogan].”

Event sponsorship

The editorial coverage of the most important industry events can be sponsored by any participating company. Event sponsorship comprises an exclusive Top banner in Special Event newsletter(s) and special mentioning in event video reviews.

For each event, there is only one sponsoring position available. It is booked on a first come, first served basis.

Rates for sponsorship opportunities are available on request.
