

## Oleofuels 2019

ACI is pleased to announce Oleofuels 2019 will take place on 5th & 6th June in Venice, Italy.

Already on its 12th edition of a very successful series, Oleofuels 2019 will bring together senior representatives from the biodiesel, renewable diesel and HVO industries to discuss the latest market advancements, developments & business opportunities. The event will cover current challenges and issues faced by the industry and provide an in depth outlook and overview of today`s European & global Oleofuels markets. Policies and regulations, updates on feedstock availability & supplies, followed by cutting – edge technologies helping to meet new emerging transport decarbonisation trends, will provide a basis for an informative and balanced discussion for participants from the across entire supply chain.

### Exclusive Site Visit:

During the afternoon of Tuesday 4th June, a **limited number of conference attendees** will receive a unique opportunity to visit **ENI's, Venice Biorefinery**. There is **no extra charge** to attend the site visit, but spaces are limited and allocated on a first—served basis. Please register your attendance when booking for the conference.
