

## Oil & Gas Cambodia 2019

2019 will be a pivotal year for the Oil and Gas industry in Cambodia. With the debut of the highly anticipated first oil production, Cambodia will join the list of prestigious list of oil producing Nations.

In addition, the regulatory development in LNG is highly encouraging as Cambodia is geared to be the next country to develop their LNG import facility. With reference to the above, the global oil and gas industry spotlight has now shifted now to Cambodia.

With the strong support and endorsement from the Ministry of Mines and Energy and major stakeholders in Cambodia, the first major international Oil and Gas Cambodia Conference and Exhibition will take place from 7-8 May at the Sokha Hotel, Phnom Penh. Be part of the up coming Oil and Gas Economy in Developing Asia.
