

5th Power Week Asia

Designed for the global electric power & energy industry, POWER WEEK ASIA provides 5 days of networking opportunities, consisting of 2-day conference as the focal event, 6 supplementary workshops, multiple case studies, expert views, and valuable insights on market outlook.

Meet your industry peers from electricity regulators, national power companies, renewable & IPPs, investors and suppliers - all at one platform. It would serve as an opportunity to engage with top industry players from around the globe. With the vast range of participants at this exclusive event, learn about the success strategies and pitfalls of well-known power projects, through our intense case studies. With valuable insights on power market economics, policy & regulations, technology transfer, environmental impacts, fuel supply sources, renewable / hydro / gas to power developments, PPAs, investment & financing, energy efficiency, smart grid, energy storage, power contracts and many more from C-level expert speakers & attendees, POWER WEEK ASIA is certainly an event not to be missed!
