

2nd Gas & LNG Middle East

Gas & LNG industry experts and leading executives will once again gather at the exclusive 2nd Gas & LNG Middle East Summit in Oman on December 2-3, 2019. The high-class event is designed to give attendees maximum results with informational sessions featuring world-renowned speakers, premium networking breaks that are perfect to start partnerships with key decision-makers and an outstanding exhibition. The closed-door atmosphere of the Summit will give countless opportunities to meet and connect with the top management of important Gas & LNG companies in the Middle East and abroad. It's the must-attend event for every professional, looking to establish themselves and their services in the Gas & LNG market.
