

Argus Mexico Fuel Markets Summit

Your one-stop shop for the latest information on Mexico's evolving fuel markets.

The Argus Mexico Fuel Markets Summit is coming back to Mexico City, August 28-30. We are gathering hundreds of fuel and refined product professionals to network and discuss the challenges and opportunities in this developing market.

This conference will be delivered in a Spanish/English format with simultaneous translation available.

Discussions will include:

- The latest information on energy policy, taxation and regulation in Mexico
- US refining, storage and overcoming transportation hurdles
- Investment opportunities in Mexico's fuel markets and regional considerations
- An outlook for US product imports to the region
- Perspectives from the retail sector

Confirmed speakers include:

- Oscar Lopez Velarde, Partner, **Ritch Mueller**
- Humberto Cruz, **GS Corporación Aduanal S.C**
- Edgar Martínez, Commercial Director, **UNNE**
- Uriel Joffre Vega, General Director, **TUSA**
- Celeste Rebora Mier, Director of Hydrocarbons Projects, **Terminal de Centro de México**
- Ing. Jorge Nevarez Jacobo, Coordinador de las Unidades de Negociom, **Aeropuertos y Servicios Auxiliares**
- Roel Salazar, Methanol and Derivatives Consultant, **Argus**
