Lignofuels Americas 2019

Following the success of the European edition of Lignofuels conference which is now in its 10th year running and going from strength to strength, ACI is thrilled to announce that the American edition of Lignofuels will be taking place in Omaha, NE on March 11th & 12th 2019.

Over the two days, Lignofuels Americas 2019 will give you an in-depth look into case studies giving practical examples of planning, finance and technology strategies utilized for latest 2nd generation biofuels and advanced materials projects and facilitate excellent networking opportunities.

This summit will bring together key lignofuels stakeholders to join our forum discussions and networking, including leaders from advanced generation biofuels companies from across the globe represented by Technical, Strategic and Business Development Executives from First and Advanced Generation Biofuels Producers, Oil Refiners, Process Technology Providers, Enzyme Developers, Engineering Firms and Agribusiness as well as Financiers, Investors, Policy & Regulators, Automotive & Aviation Industries, Consultants, Traders & Brokers and Chemical Companies.
