

Vaasa Gas Exchange (VGE) 2020

VGE is an international networking event for energy experts, focusing on natural gas and renewable gases in all forms for power generation, transport and shipping. At VGE, enterprises will have the opportunity to meet other actors, driving forces and potential partners from Finland and abroad. In addition, there will be a free open seminar. An evening and networking event will be arranged on Wednesday, 18 March 2020. VGE is the biggest networking event for the gas industry in the Nordics.

VGE is organised by University of Vaasa in partnership with Gasum, Merinova, Novia University of Applied Sciences, Stormossen, VASEK, Viexpo, Wärtsilä and the Åbo Akademi University, and is part of the Vaasa EnergyWeek event. Vaasa EnergyWeek is an international energy conference consisting of several events.

Vaasa EnergyWeek will be held for the ninth time in 2020 (16 – 19 March 2020). A total of over 4,500 energy experts from various parts of Finland and Europe took part in our events in 2019.

Price & registration

Companies are accepted to the event in the order of registration. Registration takes place either by telephone or email to Teemu Närvä.
