

Gas Indonesia Summit & Exhibition 2021

Gas Indonesia Summit & Exhibition 2021 is returning for the fifth edition in Jakarta and is Indonesia's most important Fullstream Natural Gas, LNG & Energy event. Created to enable business partnerships, stimulate investment-friendly conversations and to facilitate the advancement of Indonesia's energy development. Supported by the Ministry of Energy and Mineral Resources (ESDM), SKK Migas - Special Task Force for Upstream Oil and Gas Activities, BPH Migas, PT PLN (Persero) and is hosted by PT PGN LNG Indonesia and PT.Pertamina (Persero), Gas Indonesia Summit & Exhibition 2021 is the country's most important event dedicated to connecting energy professionals to collaborate, share best practices and advance Indonesia's natural gas and LNG value chain.
