## NACS Show 2020

**\*\*\*Last updated 7/31/2020: The 2020 NACS Show, scheduled for October 11-14 inside the Las Vegas Convention Center, has been cancelled due to the current State of Nevada virus mitigation mandate limiting group gatherings to 50 people or less. NACS has taken the three most important elements of the in-person event - education, access to new products and retailer/supplier connections - and developed innovative virtual tools for you to meaningfully engage and improve your business. Look for more details on the NACS virtual experience.\*\*\***

The NACS Show truly provides a one-stop shopping experience for convenience and fuel retailers. We can create the perfect blend of educational sessions, networking activities, and product exploration at the expo. Customize your experience to increase the success of your business today and into the future.

**Look closely at the schedule:** there will be a lot going on at this global event for convenience. In fact, with so many products, ideas, and new connections, consider including as many team members as possible so that you don't miss anything.
