

Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC) 2021

The world's most influential meeting point for oil, gas & energy professionals in person, safely and securely will take place from November 15 to 18, 2021.

The Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC) is at the forefront of establishing the worldwide energy mix and remains the world's premier meeting place for government ministers, thought leaders, NOC and IOC, CEOs, a showcase for technological innovation and a forum for overall industry excellence. ADIPEC is the only focal point for the global energy industry and a knowledge-sharing platform where decisions are reached by business and government which shape the future of this vital sector in both the short and the long term.
