

Hydrogen 2024

Hydrogen 2024 returns to Amsterdam on April 9-10 at the Leonardo Royal Amsterdam City. An annual highlight, leading C-suite executives across strategy, development, finance and operations unite to form partnerships driving projects to financial close. Attendees will gain the expertise from proven winners to seamlessly integrate lessons learned to produce hydrogen and ammonia at scale, store and transport cost-competitively and build robust business cases to secure off-take commitments.

Over 400 participants will benefit from the insights of 70+ C-Suite and executive speakers, addressing the pressing challenges faced by European, North African and Middle Eastern projects. Join us in April to win the hydrogen race in this era of growth.

Venue

Leonardo Royal Hotel Amsterdam
Paul van Vlissingenstraat 24, 1096 BK

 April 9, 2024 - April 10, 2024

 Amsterdam, Netherlands
