19th International Conference & Exhibition on LNG

"It's a great honour to have been selected to host the conference," commented Prof An-Zhong Gu, Chairman of the LNG 2019 National Organising Committee, "and we are very happy that it is also being supported by the Shanghai Municipal People's Government."

The 19th International Conference & Exhibition on Liquefied Natural Gas (LNG2019), presented by the International Gas Union (IGU), Gas Technology Institute (GTI) and the International Institute of Refrigeration (IIR), is the only LNG event conducted by the industry for the industry.

The Call for Abstracts will open in September 2017 and delegate registration to attend the conference will open in June 2018. If you are interested in exhibiting, please find out more here. Sign up to the newsletter to stay informed.

Early Bird Delegate Registration closes soon – book your delegate place before 2 November 2018 to save \$445. [Visit our website](#) or [contact us](#).
