

## 2nd Asia Fuel Retail Conference 2018

### lalala

The 2nd Asia Fuel Retail Conference with supporting Expo is about creating a key “Local & International Meeting Point” for the industry in Asia.

The Asia Pacific region is the most significant developing fuel retail region in the world. PetrolWorld who is organizing the event, is the only established international business media platform operating in Asia since 1998 that is focused on the fuel retail, handling and distribution markets.
