

Petrol PLAZA

APEA Live 2018

This is the industry's biggest 3 part event – APEA Live.

StadiumMK, Milton Keynes, provides the location for this petroleum-based event of the season – a centralised location, excellent transport links and ample accommodation for making a real day of it!

The event combines an Exhibition and Conference during the day; which by night, transform into the illustrious Awards Dinner – the optimum opportunity to wine, dine and network with colleagues, suppliers, new and existing customers alike; what better way to seal that new deal than dinner, drinks and entertainment with all of the industry greats.

How many events put your present and potential clients, contractors and competitors in one place? Give you the opportunity to promote your products / services and the ability to talk face to face, in a common environment, allowing you to get that contract signed?

APEA Live is unique, none do it better; with record breaking attendances year-on-year, every time a bigger celebration of the talent within the petroleum industry – can you justify not being part of that? Book now.

For exhibitors

We have already rebooked a number of exhibitors onto the 2018 floorplan (**over 50% of stands have been rebooked**) and secured two Award Sponsorships, and **the floorplan is now live for 2018**, so don't miss out – secure the best possible stand and register your interest in Sponsorship early. The latest floorplan is viewable here: [Floorplan](#)

Venue

Stadium MK

V6 Grafton St, Bletchley
