

CEE Gas Conference

With over 30 years of European and global gas market partnership expertise, dmg::events hosts Central & Eastern European Gas Conference (CEE Gas) in Zagreb, Croatia on 7 - 8 March 2018.

Bringing together all key stakeholders including gas suppliers, TSOs, regulators, government members, commercial executives and industry consultants, CEE Gas will provide an unrivalled platform for the strategic roadmap to a diverse and secure natural gas future for the region.

CEE Gas 2018 will focus on these key challenges:

- **Energy Supply** - Deliver affordable power while still hitting national COP-21 targets.
- **Market Liberalisation** - Implement a fully liberalised and market driven energy landscape across each country in the region.
- **Infrastructure Construction and Development** - Understand how to accurately measure project economics and implement construction across multiple jurisdictions.
- **Market Integration** - Create a liquid gas and power market across CEE and the rest of the EU.

Venue

Sheraton Zagreb Hotel
Ul. kneza Borne 2

 March 7, 2018 - March 8, 2018

 Zagreb, Croatia
