

Vaasa Gas Exchange (VGE) 2018

VGE is an international networking event for energy experts and customers, focusing on natural gas and biogas in all formats for power generation, transportation and shipping. 75 exhibitors have registered for 2018. The event consists of an exhibition, an in-depth seminar and exhibitor briefings. Participation is free of charge.

VGE is organised by the University of Vaasa in partnership with Gasum, Merinova, Novia University of Applied Sciences, Stormossen, VAMK University of Applied Sciences, VASEK, Wärtsilä and the Åbo Akademi University, and it is part of the Vaasa EnergyWeek event.

Welcome to meet actors and potential partners from today's hottest industry
