

ExpoPostos & Conveniência 2019

ExpoPostos & Conveniência is the official event of representatives of the distribution and sale of petroleum products, convenience stores and food service in Brazil.

The fair presents the latest trends and innovations in the market, including new products, equipment, services and technologies for the industry.

It is also a perfect opportunity for brands that want to strengthen their relationship with local companies to enter new markets, invest in expanding the business and position themselves among the industry leaders.

During the fair, the International Service, Equipment, Convenience Stores and Food Service Forum will take place, which addresses the topics of global economy, convenience services, environment, and fuels.

The participants of ExpoPostos & Conveniência will meet decision-makers from 40 thousand service stations and more than 7 thousand convenience stores throughout Brazil.
