Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC)

Established in 1984, the Abu Dhabi International Petroleum Exhibition and Conference is a world-class business forum, where oil and gas professionals convene to engage in dialogue, create partnerships, do business and identify solutions and strategies that will shape the industry for the years ahead.

ADIPEC has grown exponentially to become the world's meeting point for oil and gas professionals. Today, over \$10.34 billion of business is done during the exhibition, placing ADIPEC at the very heart of international business of the global energy sector.

102,601 trade professionals attended ADIPEC in 2017, while 959 industry leading experts share their knowledge and understanding across the event's expansive line-up of strategic and technical conference sessions.

Abu Dhabi will once again host the prestigious event from 12-15 November 2018, when industry leaders will reconvene to define the future of the energy sectors in a changing landscape. From operating companies to the international supply chain and those at the forefront of technological advances, ADIPEC is a key platform in the energy calendar to share perspectives, challenges and opportunities.
