

Training course “Certified Professional for Lubricant Technology (CPL)”

We would like to draw your attention to our lubricants training course in English language “Certified Professional for Lubricant Technology (CPL)” which will take place in January and May 2019 in Berlin:

1st training week: 22 - 24 January 2019

2nd training week: 07 - 10 May 2019

Since January 2013 numerous training courses have already been conducted in German language and more than 400 professionals qualified for the certificate to demonstrate their acquired lubricants knowledge.

Due to the high demand we carried out a training course „Certified Professional for Lubricant Technology (CPL)“ in English language in 2016, 2017 and 2018 and it is repeated in January/May 2019.

The CPL training course is based on the very successful German training course and consists of the following modules and contents:

- Module 1: Crude Oil and Base Oil
- Module 2: Tribology and Additives for Lubricants
- Module 3: Metalworking Fluids
- Module 4: Automotive Lubricants
- Module 5: Industrial Lubricants
- Module 6: Lubricating Greases / Health, Safety and Environment
- Module 7: Repetition / Final examination
