Gas Asia Summit Singapore 2018

GAS Singapore returns to Marina Bay Sands for the 6th year as an integral component of Singapore International Energy Week (SIEW).

GAS Singapore is the only natural gas-focused commercial and technical conference and exhibition within the SIEW framework and has been developed under the theme: Your Gateway to New Natural Gas & LNG Opportunities. GAS 2018 will firmly position Singapore as a leading trading, services and innovation hub and will serve as a key platform for developing new business and knowledge exchange within the natural gas and LNG community.

Join us at GAS and connect to energy professionals in Singapore and the region shaping the natural gas and LNG industry.
