

Lignofuels 2019

Join us at Lignofuels 2019 Conference on 13th & 14th February in Oslo, Norway to exchange point of view with your senior peers, share knowledge and expertise on the most pressing issues within the industry and have your questions answered.

Over the two days, the event will give you in-depth look into case studies giving practical examples of planning, finance and technology strategies utilised for latest 2nd generation biofuels and advanced materials projects and provide you with excellent networking opportunities. To view the conference agenda please [click here](#).

In addition to the main two day event on Tuesday, 12th of February, a day prior the conference, limited number of conference delegates will have a unique opportunity to join an exclusive site visit to the **Borregaard's Biorefinery** in Sarpsborg, Norway. There is no extra charge to join the site visit, although places are limited and allocated to the conference delegates on first come first served basis. Therefore, we would strongly suggest to book your place early to avoid disappointment.

Key advanced and second generation biofuel stakeholders including senior representatives of **UPM Biofuels, Preem, Borregaard, St1, Shell International, Total, NEOT, Drax Group** and many more are have already confirmed their attendance! Take advantage of becoming a part of the story and gain valuable experience and priceless expertise.

PetrolPlaza Readers/Subscribers are entitled to a special discount on registration. For more information or to register your attendance please contact **Dimitri Pavlyk** on + 44 (0) 203 141 0627 or dpavlyk@acieu.net quoting **EEFE9D15**.
