UNITI expo 2022

UNITI expo is the leading European trade fair for the retail petroleum and car wash industries. The biennial event, with its programme of seminars and compact three-day format, is specially tailored to the needs of its target audience. UNITI expo provides a unique opportunity for exhibitors and visitors to build and strengthen business relationships with customers and professionals alike.

In its third edition, UNITI expo has cemented its role once again as the leading European trade fair of the retail petroleum and carwash industry. It took place from 15 to 17 May 2018 under the motto “from the industry - for the industry” at Landesmesse Stuttgart.

On 40,000 square meters of exhibition space, UNITI expo offered a unique trade show with an exciting conference program. To guarantee an ideal overview and an efficient trip for visitors, the exhibition was divided into four themed areas ‘**Technology, payment & logistics**’, ‘**Carwash & carcare**’, ‘**Oil companies & fuel retailers**’ and ‘**Shop & convenience**’. With 467 exhibitors from 37 countries and 17,000 attendees from 120 countries, UNITI expo 2018 is the biggest and most successful trade fair for the fuel retailing and car wash industries in Europe.
