

South Asia LPG Summit 2019

Bangladesh plans to cement its place as a South Asian regional hub for all things LPG.

The country will be the meeting place for companies from around the globe to discuss and plan for the development and future of this clean energy alternative in South Asia on **3 - 4 March 2019** at the **South Asia LPG Summit** in **ICCB Hall 4, Dhaka, Bangladesh**.

>> [Event website and agenda](#)

The conference will bring together 1000+ officials from the Bangladesh Government, local LPG industry, regional industry players and other key global industry stakeholders to discuss action points to move the industry ahead and develop the supporting infrastructure that come along with increased demand.
