Café Amazon, a well-known brand in Thailand with more than 2,000 branches in Asia, joins a long list of international brands provided under the umbrella of OOMCO as part of its pledge to deliver the best products and services to its customers.

Today, the company has more than 25 global brands in its service stations across the Sultanate, some of which include Burger King, Dairy Queen, Hardee's, Costa Coffee and Subway. The filling stations also offer services such as the Ahlain stores, ATM machines, pharmacies and telephone kiosks.
