

## New Zealand: Allied Petroleum's fuel stop opened

**New Rolleston site, located at the new Weedons Ross Road and Main South Road interchange, will open for trading on 28 January.**

The new facility will operate as an unmanned 24-hour refuelling site, with a separate forecourt under canopy for smaller passenger vehicles, with 91, 95 and diesel fuel available at the pump. For commercial vehicles, the spacious site will provide drivers with easy access, with a high flow diesel pump for faster refuelling as well as AlliedBlue (Diesel Exhaust Fluid).

The card payment terminals will accept a variety of cards including Allied Fuel Plus card, Ruralco card, Fleetcard, along with Eftpos.

The new fuel stop is located at 16 Weedons Ross Road, Rolleston.
