

## OPW Retail Fueling launches new website

**Fuel equipment supplier unveils new corporate website that includes technical guides and training videos.**

OPW Retail Fueling has announced the launch of the new [opwglobal.com](https://opwglobal.com). The new website embodies OPW Retail Fueling's commitment to defining what's next across the globe with fluid-handling solutions.

"We're extremely proud of the new OPW website. It was designed with our customers in mind first and foremost," said Ed Kammerer, Director of Marketing and Global Product Strategy for OPW Retail Fueling. "The user-friendly layout allows customers to easily locate any product within just one or two clicks.

The enhanced design of the new website introduces a series of helpful features and offers a superior experience for new and returning visitors. It also includes an expansive resource library complete with technical guides and training videos.
