

Sheetz to hire 2,500 employees company wide

With almost 600 convenience stores, Sheetz has become one of the U.S.' favourite c-store brands.

Sheetz, one of America's fastest growing family-owned and operated convenience store chains for over 65 years, announced plans to hire 2,500 employees company wide.

Recently named one of the 100 Best Companies to Work For by Fortune and Great Place to Work® for the fifth time in six years, Sheetz will hold open interviews for full-time and part-time positions on March 27, 2019.

The hiring initiative aims to increase Sheetz's total employee count and number of full-time positions by creating and filling jobs at stores throughout Pennsylvania, Maryland, Virginia, Ohio, West Virginia and North Carolina.

"We are excited to bring additional employees into our family at Sheetz," said Stephanie Doliveira, VP of Human Resources at Sheetz.

Sheetz currently operates 589 stores.
