

## Jay Walsh appointed Executive Officer of Franklin Electric

**Franklin Fueling Systems' President, Jay Walsh, has been appointed as an Executive Officer of Franklin Electric Co., Inc.**

Franklin Fueling Systems, LLC is a subsidiary of Franklin Electric, a global leader in the production and marketing of systems and components for the movement of water and fuel. This move is in recognition of Jay's critical role in the growth and continued success of Franklin Fueling Systems and Franklin Grid Solutions. In addition to his current role as President of Franklin Fueling Systems, Jay will become a Vice President of Franklin Electric.

Jay has been employed by Franklin Fueling Systems for over 24 years and has served as President since 2017. Prior to becoming President, Jay was the leader for all Sales and Marketing efforts of Franklin Fueling Systems.

Gregg Sengstack, the Chairperson and Chief Executive Officer of Franklin Electric, commented, "I am very pleased that Jay has been appointed as an Executive Officer of Franklin Electric, and I am confident that through his continued leadership, Franklin Fueling Systems will continue focusing on profitable growth by supplying best in class solutions for our customers."
